- 6.4.2 The DSL has the time, funding, training, resources and support to enable her to provide advice and support to other staff on child welfare and child protection matters, to take part in strategy discussions and inter-agency meetings - and/or to support other staff to do so - and to contribute to the assessment of children.

6.4.3 The name and contact details of the DSL are set out in the School Contacts list at the front of this Policy. The main responsibilities of the DSL are set out in Appendix 1.

6.5 If the DSL is unavailable the activities of the DSL will be carried out by the DDSL. The DDSL's details are also set out in the School Contacts list at the front of this Policy.

## 7 Safeguarding Principles

7.1 The School will take reasonable steps to ensure that its pupils and others who come into contact with the School do not, as a result, come to harm or are exposed to abuse.

7.2 Abuse is a form of maltreatment. Somebody may abuse or neglect a person by inflicting harm, or by failing to act to prevent harm. Abuse can take place wholly online, or technology may be used to facilitate offline abuse.

7.3 Any safeguarding concern raised by any person will be taken seriously and action taken in accordance with the relevant School policies and procedures.

### 7.4 Specific duties in relation to children

7.4.1 Safeguarding and promoting the welfare of children is **everyone's** responsibility.

7.4.2 Every pupil should feel safe and protected from any form of abuse and neglect. The indicators of abuse and neglect and examples of specific safeguarding issues are set out in Appendix 2.

7.4.3 The School is committed to safeguarding and promoting the welfare of children and young people and requires everyone who comes into contact with children and their families to share this commitment.

7.4.4 The School will:

- (a) Follow the local inter-agency procedures of the Camden Safeguarding Children Board;
- (b) Be alert to signs of abuse both in the School and from outside and to protect each pupil from any form of abuse, whether from an adult or another child;
- (c) Deal appropriately with every suspicion or complaint of abuse and to support children who have been abused in accordance with her agreed child protection plan;
- (d) Design and operate procedures which, so far as possible, ensure that staff and others who are innocent are not prejudiced by malicious, false, unsubstantiated or unfounded allegations;
- (e) Prepare staff to identify children who may benefit from early help;
- (f) encourage a culture of listening to pupils and taking account of their wishes and feelings in any measure put in place by the School to protect them;

- (g) Be alert to the needs of children with physical and mental health conditions special educational needs or disabilities, where additional barriers can exist when detecting abuse or neglect;
- (h) Operate robust and sensible health and safety procedures and operate clear and supportive policies on drugs, alcohol and substance misuse;
- (i) Assess the risk of children being drawn into terrorism, including support for extremist ideas that are part of terrorist ideology, based on an understanding of the potential risk in the local area;
- (j) Identify children who may be vulnerable to radicalisation, and know what to do when they are identified; and
- (k) Consider and develop procedures to deal with any other safeguarding issues which may be specific to individual children in the School or in the local area.

#### 7.4.5 Contextual safeguarding

- (a) Safeguarding incidents and / or behaviours can be associated with factors outside the School and / or can occur between children outside the School.
- (b) All staff, including the DSL, should consider the context within which such incidents and / or behaviours occur, for example where wider environmental factors are present in a child's life that may be a threat to their safety and / or welfare.
- (c) Children's social care should be informed of all such information to allow any assessment process to consider all available evidence and the full context of any abuse.

**7.5** Staff may follow the School's separate Whistleblowing Policy to raise concerns about poor or unsafe safeguarding practices at the School or potential failures by the School or its staff to properly fulfil its safeguarding responsibilities. Such concerns will be taken seriously. The NSPCC whistleblowing helpline is available for staff who do not feel able to raise concerns about child protection failures internally (see the front of this policy for the relevant contact details).

## **8 Responsibilities of Staff in Relation to Safeguarding**

**8.1** Staff members should maintain an attitude of "it could happen here" where safeguarding is concerned. When concerned about the welfare of a child, staff members should always act in the best interests of the child.

**8.2** All staff have a duty to:

- 8.2.1 Report any concerns they may have about the safety and/or wellbeing of pupils;
- 8.2.2 Report any concerns they may have about the safety and/or wellbeing of other persons associated with the School;

8.2.3 Report any safeguarding concerns about staff or anyone else associated with the School.

**8.3** The procedures for doing so are set out below. If staff are unsure about the process, they should not hesitate to speak to the DSL, senior leadership team or directly to children's social care or police in their absence for guidance.

## **9 What to Do if Staff Have a Concern About a Pupil**

**9.1** If staff have any concern about a pupil's welfare, action should be taken immediately.

**9.2** A concern about a child is not defined and should be interpreted broadly. It may relate to a recognition that a child would benefit from extra support, to an emerging problem or to a potentially unmet need or may reflect a concern that a child may be deemed to be "in need" or at "immediate risk of harm" as defined by the Children Act 1989.

**9.3** The member of staff must report the concern to the DSL or the DDSL in the DSL's absence.

9.3.1 The contact details of the DSL and DDSL are set out in the contacts list at the front of this policy.

9.3.2 See Appendix 3 for guidance about what to do when receiving a disclosure and recording a concern.

**9.4** If the concern involves an allegation against staff, this must be reported in accordance with the procedures set out in Appendix 4

**9.5** Teachers must report known cases of female genital mutilation (FGM) to the police. See Appendix 2 for further information about FGM and this reporting duty. All other staff should refer FGM concerns to the DSL

### **9.6 What if the DSL is unavailable?**

9.6.1 The DSL or the DDSL should always be available to discuss safeguarding concerns and may be contacted in relation to any safeguarding concerns out of School hours.

9.6.2 If in exceptional circumstances the DSL and DDSL are unavailable, which may occur outside term time or school hours, staff must not delay taking action. Staff should speak to their line manager or a member of the senior leadership team and / or advice should be taken from children's social care. The contact details are set out at the front of this policy.

9.6.3 Where a child is suffering, or is likely to suffer from harm, a referral to children's social care should be made immediately. Staff should be aware of the process for making referrals direct to children's social care and / or the police in these circumstances. See section 12 below for details on making a referral.

9.6.4 Any action should be shared with the DSL or DDSL, or a member of the senior leadership team, as soon as is practically possible.

## 9.7 Action by the DSL

- 9.7.1 On receipt of a report of a concern, the DSL will consider the appropriate course of action in accordance with the Camden Safeguarding Children Board procedures and referral threshold document. Such action may include:
- (a) Managing any support for the pupil internally via the School's own pastoral support processes, seeking advice from children's social care where required (see 10 below);
  - (b) An early help assessment (see 11 below); or
  - (c) A referral for statutory services (see 12 below).
- 9.7.2 The views of the child will be taken into account when considering the appropriate course of action but will not be determinative.
- 9.7.3 Where the concern relates to the welfare of a pupil who is aged 18 or over, the DSL will consider whether it is necessary to refer such concerns to the Safeguarding Adults Board rather than, or in addition to, children's social care.
- 9.7.4 If it is decided that a referral is not required, the DSL will keep the matter under review and give ongoing consideration to a referral if the pupil's situation does not appear to be improving.

## 10 Managing Support for Pupils Internally

- 10.1 The School has a framework for the identification, assessment, management and review of risk to pupil welfare so that appropriate action can be taken to reduce the risks identified. See section 21.
- 10.2 The School has a system of pastoral records, monitoring and reporting as well as a School counsellor

## 11 Early Help

- 11.1 Early help means providing support as soon as a problem emerges at any point in a child's life, from the foundation years through to the teenage years. The School understands that providing early help is more effective in promoting the welfare of children than reacting later.
- 11.2 The School's safeguarding training includes guidance about the early help process and prepares all staff to identify children who may benefit from early help. Staff are mindful of specific safeguarding issues and those pupils who may face additional safeguarding challenges. Staff should be particularly alert to the potential need for early help for a child who:
- 11.2.1 Is disabled and has specific additional needs;
  - 11.2.2 Has special educational needs (whether or not they have a statutory education, health and care plan);
  - 11.2.3 Is a young carer;

- 11.2.4 Is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups;
  - 11.2.5 Is frequently missing / goes missing from care or from home;
  - 11.2.6 Is at risk of modern slavery, trafficking or exploitation;
  - 11.2.7 Is at risk of being radicalised or exploited;
  - 11.2.8 Is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health problems or domestic abuse;
  - 11.2.9 Is misusing drugs or alcohol themselves;
  - 11.2.10 Is looked after or has returned home to their family from care;
  - 11.2.11 Is a privately fostered child.
- 11.3** A member of staff or volunteer who considers that a pupil may benefit from early help should in the first instance discuss this with the DSL. The DSL will consider the appropriate action to take in accordance with the Camden Safeguarding Children Board referral threshold document and will support staff in liaising with other agencies and setting up an inter-agency assessment as appropriate.
- 11.4** If early help is appropriate, staff may be required to support other agencies and professionals in an early help assessment and will be supported by the DSL and carrying out this role. In some cases staff may be required to take a lead role.
- 11.5** The matter will be kept under review and consideration given to a referral to children's social care for assessment for statutory services if the pupil's situation appears to be getting worse, or does not appear to be improving.

## **12 Making a Referral**

**12.1 Where a child is suffering, or is likely to suffer from harm, a referral to children's social care (and if appropriate the police) should be made immediately.** The contact details for children's social care are set out at the front of this policy.

### **12.2 Statutory assessments**

12.2.1 Children's social care may undertake a statutory assessment under the Children Act 1989 into the needs of the child. It is likely that the person making the referral will be asked to contribute to this process. Statutory assessments include:

- (a) **Children in need:** A child in need is a child who is unlikely to achieve or maintain a reasonable level of health or development, or whose health and development is likely to be significantly or further impaired, without the provision of services; or a child who is disabled. Children in need may be assessed under section 17 of the Children Act 1989.
- (b) **Children suffering or likely to suffer significant harm:** Local authorities have a duty to make enquiries under section 47 of the Children Act 1989 if they have

reasonable cause to suspect that a child is suffering, or is likely to suffer, significant harm.

- 12.3** Staff required to make a direct referral may find helpful the flowchart set out on page 13 of KCSIE and the flowcharts set out in Chapter 1 of WTSC for information about the likely actions and decisions required.
- 12.4** Staff will need to have access to certain information about the child and the safeguarding concern in order to make the referral. In general terms, this information will comprise:
- 12.4.1 Personal details of the child including the child's developmental needs;
  - 12.4.2 Detailed information about the concern;
  - 12.4.3 Information about the child's family and siblings including the capacity of the child's parents or carers to meet the child's developmental needs and any external factors that may be undermining their capacity to parent.
- 12.5** If the referral is made by telephone, this should be followed up in writing.
- 12.6** If the referral is made by someone other than the DSL, the DSL should be informed of the referral as soon as possible.
- 12.7** Confirmation of the referral and details of the decision as to what course of action will be taken should be received from the local authority within one working day. If this is not received, the DSL (or the person that made the referral) should contact children's social care again.
- 12.8** Following a referral, if the child's situation does not appear to be improving, the local escalation procedures should be followed to ensure that the concerns have been addressed and that the child's situation improves.

## **13 Allegations against Pupils - Peer on Peer Abuse**

- 13.1** Allegations against pupils should be reported in accordance with the procedures set out in this policy (see section 8 above). If harmful sexual behaviour is alleged to have occurred, the DSL will have regard to Part 5 KCSIE and take into account the local response of the police and children's social care to these issues. The views of the alleged victim will be taken into account but will not be determinative.
- 13.2** A pupil against whom an allegation of abuse has been made may be suspended from the School as a neutral measure during the investigation and the School's policy on behaviour, discipline and sanctions will apply. The School will take advice from children's social care and / or the police, as appropriate, on when and how to inform the pupil and his / her parents about the allegations and how investigation of such allegations will be conducted. The School will carry out risk assessments and take all appropriate action to ensure the safety and welfare and continued education of all pupils including the pupil or pupils accused of abuse.
- 13.3** If it is necessary for a pupil to be interviewed by the police in relation to allegations of abuse, the School will ensure that, subject to the advice of relevant agencies, the pupil's parents are

informed as soon as possible and that the pupil is supported during the interview by an appropriate adult.

- 13.4** All those involved in such allegations will be treated as being at risk and in need of support and the safeguarding procedures in accordance with this policy will be followed. Appropriate support will be provided to all pupils involved, including support from external services as necessary.

## **14 What to do if Staff Have a Concern About Someone Else's Welfare**

- 14.1** Staff who have concerns about the welfare of others or any other safeguarding issue not expressly covered by this policy, should report them.
- 14.2** In the absence of an express procedure about reporting, they should report such concerns to their line manager in the first instance.

## **15 Allegations against Staff**

- 15.1** The School has procedures for dealing with allegations against staff :

15.1.1 The procedures in this policy apply to staff who pose a risk of harm to children and aim to strike a balance between the need to protect children from abuse and the need to protect staff and volunteers from malicious, false, unsubstantiated or unfounded allegations. These procedures are set out in Appendix 4 and follow Part 4 of KCSIE and the Camden Safeguarding Children Board guidance 'Guidance of the management of an allegation against a member of staff'.

15.1.2 The School will follow its employment procedures for dealing with any other concern raised about staff, involving external agencies as appropriate.

- 15.2** Detailed guidance is given to staff, Governors and volunteers to ensure that their behaviour and actions do not place pupils or themselves at risk of harm or of allegations of harm to a pupil. This guidance is contained in the Employment Manual which is available on the shared 'T' Drive and includes details of additional safeguarding arrangements where staff engage in one-to-one teaching and meetings with pupils.

## **16 Informing Parents**

- 16.1** Parents will normally be kept informed as appropriate of any action to be taken under these procedures. However, there may be circumstances when the DSL will need to consult the Principal, the Designated Officer(s), children's social care, the police and/or the pupil before discussing details with parents.
- 16.2** In all cases, the DSL will be guided by the Camden Safeguarding Children Board referral threshold document.
- 16.3** See also section 3 of Appendix 4 for details about the disclosure of information where an allegation has been made against a member of staff.

## **17 Additional Reporting**

**17.1** In addition to the reporting requirements explained above, the School will consider whether it is required to report safeguarding incidents to any other regulatory body or organisation, including but not limited to:

### **17.2 Health and Safety Executive**

17.2.1 The School is legally required under RIDDOR to report certain incidents to the Health and Safety Executive. Please see the School's Health and Safety Policy.

### **17.3 Charity Commission**

17.3.1 The School is a registered charity and is required to report all serious incidents to the Charity Commission in accordance with the guidance How to report a serious incident in your charity (Charity Commission, September 2017).

17.3.2 Serious incidents that will be reported to the Charity Commission include suspicions, allegations or incidents of abuse involving pupils. This is likely to involve the following:

- (i) Pupils have been, or are alleged to have been, abused or mistreated while under the care of the School or by someone connected with the School, for example a Governor, staff member or volunteer;
- (ii) There has been an incident involving the abuse or mistreatment (alleged or actual) of someone and this is connected with the activities of the School;
- (iii) There has been a breach of the School's procedures or policies which has put pupils at risk, including failure to carry out checks which would have identified that a person is disqualified in law, under safeguarding legislation, from working with children.

17.3.3 The School will notify the Charity Commission of other agencies to which the incident has been reported in accordance with this policy.

### **17.4 Insurers**

17.4.1 The School will consider whether it is necessary to report a safeguarding incident to the relevant insurers and / or brokers. It may be necessary to report to a number of insurers as there may be concurrent cover under existing and historic policies.

17.4.2 Care should be taken to ensure this is done before renewal to ensure that the school complies with its duties under the Insurance Act 2015. If the School is in any doubt with regard to the correct insurer and / or policy and / or if it is unable to locate the relevant insurer, professional advice should be sought.

## **18 Safer recruitment and supervision of staff**

- 18.1** The School is committed to practising safer recruitment in checking the suitability of staff (including staff employed by another organisation). See the School's separate Safer Recruitment policy.
- 18.2** The School maintains a single central register of appointments for all staff.
- 18.3** Staff connected to the School's Early Years and Year 1 to Year 11 classes are under an ongoing duty to inform the School if their circumstances change which would mean they meet any of the criteria for disqualification under the Childcare Act 2006. Staff should refer to the School's Safer Recruitment Policy for further information about this duty and to their contract of employment in respect of their ongoing duty to update the School.
- 18.4** The School's protocol for ensuring that visiting speakers are suitable and appropriately supervised is set out in the School's separate Site and Security Policy and Prevent Policy.

## **19 Use of Mobile Technology**

- 19.1** The School's policy on the use of mobile phones and cameras in the School, including the EYFS setting, is as follows:
  - 19.1.1** The Pupil ICT Acceptable Use Policy which sets out the expectations on pupils. In the EYFS setting, pupils are not permitted to bring mobile phones or any mobile device with a camera facility onto the premises;
  - 19.1.2** Staff and volunteers should use mobile phones and cameras in accordance with the guidance set out in the staff Code of Conduct.
  - 19.1.3** Parents may bring mobile phones onto the premises but may only take photographs during events such as plays, concerts or sporting events for personal use. Parents should be reminded that the publication of such images (including on personal social networking sites even where access to the image may be limited) may be unlawful.
- 19.2** The School's approach to online safety is set out in the School's Online Safety Policy.

## **20 Training**

- 20.1** The School ensures that regular guidance and training is arranged on induction and at regular intervals thereafter so that staff understand what is expected of them by this policy and have the necessary knowledge and skills to carry out their roles.
- 20.2** The level and frequency of training depends on role of the individual member of staff.
- 20.3** The School maintains written records of all staff training.
- 20.4** All training will be carried out in accordance with Camden Safeguarding Children Board procedures.

## 20.5 Induction

- 20.5.1 All staff, including temporary staff and volunteers, will be provided with induction training that includes:
- (a) This Policy;
  - (b) The Behaviour, Rewards and Sanctions Policy for pupils;
  - (c) The staff Code of Conduct including the Whistleblowing Policy, staff Social Media Policy and Acceptable Use Policy;
  - (d) The role of the DSL and her identity and contact details together with that of her Deputy;
  - (e) The safeguarding response to children who go missing from education;
  - (f) The School's approach to online safety;
  - (g) Safeguarding training in accordance with Camden Safeguarding Children Board procedures including guidance on managing a report of peer on peer harmful sexual behaviour;
  - (h) A copy of Part 1, and where appropriate, Annex A of KCSIE; and
  - (i) Appropriate Prevent training.

## 20.6 Safeguarding Training

- 20.6.1 All staff including the Principal will receive a copy of this policy and Part 1 and, where appropriate, Annex A of KCSIE, and will be required to confirm that they have read and understand these.
- 20.6.2 The Principal and all staff members will undertake appropriate child protection training which will be updated every two years and following consultation with the Camden Safeguarding Children Board. In addition, all staff members will receive safeguarding and child protection updates via e-mail and staff meetings on a regular basis and at least annually.
- 20.6.3 Staff development training will also include training on online safety, searching pupils for prohibited and banned items and Prevent training assessed as appropriate for them by the School
- 20.6.4 Additionally, the School will make an assessment of the appropriate level and focus for staff training and responsiveness to specific safeguarding concerns such as radicalisation, harmful sexual behaviour, child sexual exploitation, female genital mutilation, cyberbullying and mental health and to ensure that staff have the skills, knowledge and understanding to keep looked after children safe.

20.6.5 All Governors receive safeguarding training on induction. The Nominated Governor for Child Protection and the Chair of Governors will receive appropriate training to enable them to fulfil their safeguarding responsibilities.

20.6.6 The School has mechanisms in place to assist staff to understand and discharge their role and responsibilities and to ensure that they have the relevant skills and knowledge to safeguard children effectively, including staff meetings and professional development reviews. This includes information on how staff can report concerns occurring hours/out of term time and should, where appropriate, refer to the School's risk assessment for out of hours/out of term safeguarding arrangements.

## **20.7 Designated Safeguarding Lead**

20.7.1 The DSL and DDSL will undertake training to provide them with the knowledge and skills required to carry out the role. This training includes Prevent awareness training and will be updated at least every two years.

20.7.2 In addition, their knowledge and skills will be refreshed at regular intervals, at least annually, to allow them to understand and keep up with any developments relevant to their role. For further details about the training of the DSL, see Appendix 1.

20.7.3 Prevent duty training will be consistent with Home Office WRAP (Workshop to Raise Awareness of Prevent) training if available.

## **20.8 Teaching Pupils about Safeguarding**

20.8.1 The School teaches pupils about safeguarding through the curriculum and PSHE, including guidance on adjusting behaviour to reduce risks, particularly online, building resilience to protect themselves and their peers, and providing information about who they should turn to for help.

20.8.2 Pupils are taught about harmful sexual behaviours, including sexual violence and sexual harassment, through PSHE education appropriate to their age and stage of development.

20.8.3 Pupils are given the opportunity to talk about safeguarding issues within the classroom environment and are made aware of the processes by which any concerns they have can be raised, including the processes for reporting a concern about a friend or peer, and how any report will be handled. The School's concerns and complaints procedure for pupils sets out in writing what pupils should do if they have a worry or complaint.

20.8.4 The safe use of technology is a focus in all areas of the curriculum and key ICT safety messages are reinforced as part of assemblies and tutorial / pastoral activities. The School has appropriate filters and monitoring systems in place (see the School's Online Safety Policy) and is mindful that this should not lead to unnecessary restrictions on learning.

## **21 Risk Assessment**

- 21.1** Where a concern about a pupil's welfare is identified, the risks to that pupil's welfare will be assessed and appropriate action will be taken to reduce the risks identified.
- 21.2** The format of risk assessment may vary and may be included as part of the School's overall response to a welfare issue, including the use of individual pupil welfare plans (such as behaviour, healthcare and education plans, as appropriate). Regardless of the form used, the School's approach to promoting pupil welfare will be systematic and pupil focused.
- 21.3** The Principal has overall responsibility for ensuring that matters which affect pupil welfare are adequately risk assessed and for ensuring that the relevant findings are implemented, monitored and evaluated.
- 21.4** Day to day responsibility to carry out risk assessments under this policy will be delegated to the DSL who has been properly trained in, and tasked with, carrying out the particular assessment

## **22 Record Keeping**

- 22.1** All concerns, discussions and decisions made and the reasons for those decisions should be recorded in writing.
- 22.2** The records created in accordance with this policy may contain personal data. The School has a number of privacy notices which explain how the School will use personal data for the benefit of pupils and parents. The privacy notices are published on the School's website. In addition, staff must ensure that they follow the School's data protection policies and procedures when handling personal data created in connection with this policy. This includes the School's Data Protection Policy and Information Security policy.
- 22.3** All records created in accordance with this policy are managed in accordance with the School's policies that apply to the retention and destruction of records.
- 22.4** Insofar as pupil records are concerned:
  - 22.4.1** Staff must record all concerns about a child on the School's pro forma record which is available to staff on Google Docs. Guidance on record keeping is set out in Appendix 3.
  - 22.4.2** The DSL will open a child protection file following a report to him / her of a child protection concern about a pupil. The DSL will record all discussions with both colleagues and external agencies, decisions made and the reasons for them and detail of the action taken.

## **23 Information Sharing and Multi-Agency Working**

- 23.1** The School will treat all safeguarding information with an appropriate level of confidentiality, only involving others where appropriate. The School will always act in order to safeguard and promote the welfare of others.

- 23.2** The School understands that information sharing is essential for effective safeguarding and promoting the welfare of children and young people. Fears about sharing information will not stand in the way of the need to promote the welfare, and protect the safety, of pupils, which is always the School's paramount concern. The School understands that the GDPR and Data Protection Act 2018 provide a framework to ensure that personal information is shared appropriately.
- 23.3** The School will co-operate with police and children's social care, and where appropriate the police, to ensure that all relevant information is shared for the purposes of child protection investigations under section 47 of the Children Act 1989.
- 23.4** Where allegations have been made against staff, the School will consult with the Designated Officer(s) and, where appropriate, the police and children's social care to agree the information that should be disclosed and to whom.
- 23.5** While the School will share information with those involved where and when it is appropriate to do so, they may be unable to for reasons of data protection and confidentiality, for example because to do so may pose a risk of harm to others or because it has been prohibited by external agencies.

## **24 Monitoring and Review**

- 24.1** The DSL will ensure that the procedures set out in this Policy and the implementation of these procedures are updated and reviewed regularly, working with the Proprietor as necessary and seeking contributions from staff. The DSL will update the Senior Management Team regularly on the operation of the School's safeguarding arrangements.
- 24.2** Any safeguarding incidents at the School will be followed by a review of these procedures by the DSL and a report made to the Proprietor. Where an incident involves a member of staff, the Designated Officer(s) will be asked to assist in this review to determine whether any improvements can be made to the School's procedures. Any deficiencies or weaknesses in regard to child protection arrangements at any time will be remedied without delay.
- 24.3** The Proprietor will undertake an annual review of this Policy and the School's safeguarding procedures, including an update and review of the effectiveness of procedures and their implementation and the effectiveness of inter-agency working.
- 24.4** The DSL will work with the Nominated Governor for Child Protection, preparing a written report commissioned by the Proprietor. The written report should address how the School ensures that this Policy is kept up to date; staff training on safeguarding; referral information; issues and themes which may have emerged in the School and how these have been handled; and the contribution the School is making to multi-agency working in individual cases or local discussions on safeguarding matters.
- 24.5** The Proprietor should also consider independent corroboration, such as inspection of records or feedback from external agencies including the Designated Officer(s), reports of ISI inspections, the outcome of any relevant parental complaints and press reports. The Proprietor will review the report, this Policy and the implementation of its procedures and consider the proposed amendments to the Policy before giving the revised Policy its final approval. Detailed minutes recording the review by the Proprietor will be made.

- (xii) Encourage a culture of listening to children and taking account of their wishes and feelings, among all staff, in any measures the School may put in place to protect them.

## Appendix 2 Indicators of abuse

### 1 Types of Abuse

- 1.1 Part one of KCSIE defines the following types of abuse, however, staff should be aware that abuse, neglect and safeguarding issues are rarely standalone events that can be covered by one definition or label and in most cases, multiple issues will overlap with one another.
- 1.2 Abuse: a form of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. Children may be abused in a family or in an institutional or community setting by those known to them or, more rarely, by others. Abuse can take place wholly online, or technology may be used to facilitate offline abuse. They may be abused by an adult or adults or another child or children.
- 1.3 **Physical abuse:** a form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.
- 1.4 **Emotional abuse:** the persistent emotional maltreatment of a child such as to cause severe and adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyberbullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, although it may occur alone.
- 1.5 **Sexual abuse:** involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet). Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children. The sexual abuse of children by other children is a specific safeguarding issue in education.
- 1.6 **Neglect:** the persistent failure to meet a child's basic physical and / or psychological needs, likely to result in the serious impairment of the child's health or development.

Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to: provide adequate food, clothing and shelter (including exclusion from home or abandonment); protect a child from physical and emotional harm or danger; ensure adequate supervision (including the use of inadequate care-givers); or ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

## 2 Signs of abuse

- 2.1 Possible signs of abuse include, but are not limited to:
  - 2.1.1 The pupil says she has been abused or asks a question or makes a comment which gives rise to that inference;
  - 2.1.2 There is no reasonable or consistent explanation for a pupil's injury, the injury is unusual in kind or location or there have been a number of injuries and there is a pattern to the injuries;
  - 2.1.3 The pupil's behaviour stands out from the group as either being extreme model behaviour or extremely challenging behaviour, or there is a sudden or significant change in the pupil's behaviour;
  - 2.1.4 The pupil asks to drop subjects with a particular teacher and seems reluctant to discuss the reasons;
  - 2.1.5 The pupil's development is delayed, the pupil loses or gains weight or there is deterioration in the pupil's general wellbeing;
  - 2.1.6 The pupil appears neglected, e.g. dirty, hungry, inadequately clothed;
  - 2.1.7 The pupil is reluctant to go home, or has been openly rejected by her parents or carers; and
  - 2.1.8 Inappropriate behaviour displayed by other members of staff or any other person working with children, for example inappropriate sexual comments; excessive one to one attention beyond the requirements of their usual role or responsibilities; or inappropriate sharing of images.
- 2.2 The Camden Safeguarding Children Board can provide advice on the signs of abuse and the DfE advice *What to do if you're worried a child is being abused* (2015) provides advice in identifying child abuse. The NSPCC website is also a good source of information and advice.

## 3 Specific Safeguarding Issues

- 3.1 *KCSIE* acknowledges the following as specific safeguarding issues:
  - 3.1.1 Children and the court system;
  - 3.1.2 Children missing education (see section 3.3 below);

- 3.1.3 Children with family members in prison;
  - 3.1.4 Child sexual exploitation (see section 3.4 below);
  - 3.1.5 Child criminal exploitation: county lines;
  - 3.1.6 Domestic abuse;
  - 3.1.7 Homelessness;
  - 3.1.8 So-called 'honour-based' violence (see section 3.5 below);
  - 3.1.9 Preventing radicalisation (see section 3.7 below);
  - 3.1.10 Peer on peer abuse
  - 3.1.11 Sexual violence and sexual harassment between children in schools and colleges (see section 3.8 below).
- 3.2 Further advice and links to guidance on these specific safeguarding issues can be found in Annex A of KCSIE 2018. Staff should be particularly aware of the safeguarding issues set out below.
- 3.3 **Children Missing Education**
- 3.3.1 Children going missing, particularly repeatedly, can act as a vital warning sign of a range of safeguarding possibilities. School attendance registers are carefully monitored to identify any trends. Action should be taken in accordance with this policy if any absence of a pupil from the School gives rise to a concern about her welfare.
  - 3.3.2 Where reasonably possible the School will hold more than one emergency contact for each pupil.
  - 3.3.3 The School shall inform the local authority of any pupil who is going to be added to or deleted from the School's admission register at non-standard transition points in accordance with the requirements of the Education (Pupil Registration) (England) Regulations 2006 (as amended).
  - 3.3.4 This will assist the local authority to:
    - (a) Fulfil its duty to identify children of compulsory school age who are missing from education; and
    - (b) Follow up with any child who might be in danger of not receiving an education and who might be at risk of abuse, neglect or radicalisation.
  - 3.3.5 The School shall inform the local authority of any pupil who:
    - (a) Fails to attend School regularly; or

- (b) Has been absent without the School's permission for a continuous period of ten school days or more, at such intervals as are agreed between the School and the local authority (or in default of such agreement, at intervals determined by the Secretary of State).

3.3.6 School attendance registers are carefully monitored to identify any trends. Action should be taken in accordance with this Policy if any absence of a pupil from the School gives rise to a concern about her welfare.

## 3.4 Child sexual exploitation

3.4.1 Child sexual exploitation is a form of sexual abuse. It occurs where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child or young person under the age of 18 into sexual activity:

- (a) In exchange for something the victim needs or wants; and / or
- (b) For the financial advantage or increased status of the perpetrator or facilitator.

The victim may have been sexually exploited even if the sexual activity appears consensual. Child sexual exploitation does not always involve physical contact; it can also occur through the use of technology.

## 3.5 Honour-based violence

3.5.1 All forms of so called honour-based violence are abuse (regardless of motivation) and should be handled and escalated as such. Staff should speak to the DSL if they have any doubts. Abuse committed in the context of preserving "honour" often involves additional risk factors such as a wider network of family or community pressure and the possibility of multiple perpetrators which should be taken into account when deciding what safeguarding action to take. Staff should speak to the DSL if they have any doubts.

3.5.2 If appropriate, the DSL will activate local safeguarding procedures, using existing national and local protocols for multiagency liaison with police and children's social care.

### 3.5.3 Female genital mutilation (FGM)

(a) FGM comprises all procedures involving partial or total removal of the external female genitalia or other injury to the female genital organs. It is illegal in the UK and a form of child abuse with long-lasting harmful consequences.

(b) There is a range of potential indicators that a child or young person may be at risk of FGM. Guidance on the warning signs that FGM may be about to take place, or may have already taken place, can be found on pages 38-41 of the [Multi-agency statutory guidance on FGM \(HM Government, April 2016\)](#) (pages 59-61 focus on the role of schools).

(c) All staff must be aware of the requirement for teachers to report to the police where they discover (either through disclosure by the victim or visual evidence)

that FGM appears to have been carried out on a girl under 18. The report should be made orally by calling 101, the single non-emergency number. Those failing to report such cases will face disciplinary sanctions. It will be rare for teachers to see visual evidence, and they should not be examining pupils. Unless the teacher has a good reason not to, they should still consider and discuss any such case with the DSL and involve children's social care as appropriate.

- (d) If the teacher is unsure whether this reporting duty applies, they must refer the matter to the DSL in accordance with this policy. See the Home Office guidance [Mandatory reporting of female genital mutilation - procedural information \(December 2016\)](#) for further details about the duty.
- (e) Guidance published by the [Department for Health](#) also provides useful information and support for health professionals which will be taken into account by the School's medical staff.

### 3.5.4 Forced marriage

- (a) Forcing a person into marriage is a crime in England and Wales. A forced marriage is one entered into without the full and free consent of one or both parties and where violence, threats or any other form of coercion is used to cause a person to enter into a marriage. Threats can be physical or emotional and psychological. A lack of full and free consent can be where a person does not consent or where they cannot consent (if they have learning disabilities, for example). Nevertheless, some communities use religion and culture as a way to coerce a person into marriage.
- (b) Guidance on the warning signs that forced marriage may be about to take place, or may have already taken place, can be found on pages 13-14 of the [Multi-agency guidelines: handling case of forced marriage \(HM Government, June 2014\)](#).
- (c) Staff should speak to the DSL if they have any concerns. Pages 32-36 of the [Multi-agency guidelines: handling case of forced marriage](#) focus on the role of schools in detecting and reporting forced marriage and the Forced marriage Unit can be contacted on 020 7008 0151 or [fmufco.gov.uk](mailto:fmufco.gov.uk) for advice and information.

## 3.6 Peer on peer abuse

- 3.6.1 The conduct of pupils towards each other will, in most instances, be covered by the School's behaviour and discipline policies. However, some behaviour by a pupil towards another may be of such a nature that safeguarding concerns are raised.
- 3.6.2 Safeguarding issues can manifest themselves via peer on peer abuse. This includes, but is not limited to:
  - (a) Bullying, including cyberbullying;

- (b) Physical abuse such as hitting, kicking shaking, biting, hair pulling or otherwise causing physical harm;
- (c) Harmful sexual behaviour (see 3.7.3 below);
- (d) Sexting (Although known as youth produced sexual imagery); and
- (e) Initiation / hazing type violence and rituals.

3.6.3 Harmful sexual behaviour is an umbrella term that includes sexual violence and sexual harassment. The School recognises that problematic, abusive and violent sexual behaviours are inappropriate and may cause developmental damage. Harmful sexual behaviour can occur online and offline (both physical and verbal) and the School recognises the gendered nature such behaviour can take. See also 3.8 below. Harmful sexual behaviour, like all peer on peer abuse, is never acceptable and will be taken seriously.

3.6.4 The School takes steps to minimise the risk of peer on peer abuse. The School has robust anti-bullying procedures in place (see the School's Anti-bullying Policy) and pupils are taught at all stages of the School about acceptable behaviour and how to keep themselves safe. Risk assessments are carried out and appropriate action taken to protect pupils identified as being at risk including the particular vulnerabilities of those with a special educational need or disability.

3.6.5 Abusive behaviour by pupils must be taken seriously. Behaviour should not be dismissed as being normal between young people, as "banter" or simply "part of growing up". Behaviour such as initiation violence or any form of sexual harassment is not acceptable.

## 3.7 Radicalisation and the Prevent duty

3.7.1 School has a legal duty to have due regard to the need to prevent people from being drawn into terrorism.

3.7.2 The School aims to build pupils' resilience to radicalisation by promoting fundamental British values and enabling them to challenge extremist views. Being drawn into terrorism includes not just violent extremism but also non-violent extremism, which can create an atmosphere conducive to terrorism and can popularise views which terrorists exploit. The School is committed to providing a safe space in which children, young people and staff can understand and discuss sensitive topics, including terrorism and the extremist ideas that are part of the terrorist ideology, understand the risks associated with terrorism and develop the knowledge and skills to be able to challenge extremist arguments.

3.7.3 The School has adopted the Government's definitions for the purposes of compliance with the Prevent duty:

**Extremism:** "vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance

of different faiths and beliefs. We also include in our definition of extremism calls for the death of members of our armed forces, whether in this country or overseas"

**Radicalisation:** "the process by which a person comes to support terrorism and forms of extremism leading to terrorism"

- 3.7.4 There is no single way of identifying an individual who is likely to be susceptible to a terrorist ideology. As with managing other safeguarding risks, staff should be alert to changes in children's behaviour which could indicate that they may be in need of help or protection. Children at risk of radicalisation may display different signs or seek to hide their views. School staff should use their professional judgement in identifying children who might be at risk of radicalisation and act proportionately. In particular, outward expressions of faith, in the absence of any other indicator of vulnerability Radicalisation can occur through many different methods (such as social media) and settings (such as the internet)..:
- 3.7.5 It is possible to protect vulnerable people from extremist ideology and intervene to prevent those at risk of radicalisation being radicalised. As with managing other safeguarding risks, staff should be alert to changes in children's behaviour which could indicate that they may be in need of help or protection. School staff should use their professional judgement in identifying children who might be at risk of radicalisation and act proportionately which may include the DSL making a referral to the Channel programme, having consulted Channel duty guidance: protecting vulnerable people from being drawn into terrorism (HM Government, April 2015).
- 3.7.6 The DfE's briefing note [The use of social media for online radicalisation \(July 2015\)](#) includes information on how social media is used to radicalise young people and guidance on protecting pupils at risk.

### 3.8 Sexual violence and sexual harassment between children

- 3.8.1 Sexual violence and sexual harassment can occur between two or more children of any age or sex. They can occur through a group of children sexually assaulting or sexually harassing a single child or group of children.
- 3.8.2 Children who are victims of sexual violence and sexual harassment are likely to find the experience stressful and distressing. This will, in all likelihood, adversely affect their educational attainment. Sexual violence and sexual harassment exist on a continuum and may overlap, they can occur online and offline (both physical and verbal) and are never acceptable. The School will respond to allegations seriously and all victims will be offered appropriate support.
- 3.8.3 The School is aware of the importance of:
- (a) Making it clear to pupils that sexual violence and sexual harassment is not acceptable, will never be tolerated and is not an inevitable part of growing up;
  - (b) Not tolerating or dismissing sexual violence or sexual harassment as "banter", "part of growing up", "just having a laugh" or "boys being boys"; and

(c) Challenging behaviours (which are potentially criminal in nature), such as grabbing bottoms, breasts and genitalia, flicking bras and lifting up skirts. Dismissing or tolerating such behaviours risks normalising them.

3.8.4 References to **sexual violence** are references to sexual offences under the Sexual Offences Act 2003, specifically rape, assault by penetration and sexual assault.

3.8.5 References to **sexual harassment** mean "unwanted conduct of a sexual nature" that can occur online and offline. In the context of child on child sexual harassment, it is likely to: violate a child's dignity; and / or make them feel intimidated, degraded or humiliated; and / or create a hostile, offensive or sexualised environment.

3.8.6 The DfE guidance Sexual violence and sexual harassment between children in schools and colleges provides further detailed advice.

### 3.9 Sexting

3.9.1 "Sexting" means the taking and sending or posting of images or videos of a sexual or indecent nature, usually through mobile picture messages or webcams over the internet.

3.9.2 The School treats all incidences of sexting as safeguarding matters to be actioned in accordance with this policy.

3.9.3 Members of staff should not view sexual imagery which is reported to them, or copy, print or share the images under any circumstances. In referring any incident of sexting, members of staff should describe the content of the images as reported to them.

3.9.4 The DSL may in exceptional circumstances view images with the prior approval of the Principal and only where:

(a) It is the only way to make a decision whether to involve other agencies, as there is insufficient information available as to its contents;

(b) It is necessary to report the image to a website or agency to have it taken down;  
or

(c) A pupil has reported the image directly to a member of staff in circumstances where viewing the image is unavoidable.

3.9.5 Where an image must be viewed:

(a) Viewing should take place on School premises wherever possible;

(b) The image should be viewed by a person of the same sex as the person alleged to be shown in the image (where this is known);

(c) A senior member of staff should be present to monitor and support the person viewing the image. This member of staff does not need to view the image;

- (d) Full details of the viewing must be recorded in the School's safeguarding records, including who was present, the date and time, the nature of the image and the reasons for viewing it;
  - (e) Any member of staff who views an indecent image should be given appropriate support.
- 3.9.6 If any devices need to be confiscated (whether in order to view the image(s) or to pass evidence to the appropriate authority), they should be turned off and locked away securely until they are required.
- 3.9.7 If an electronic device that is prohibited by the school rules has been seized and the member of staff has reasonable grounds to suspect that it contains evidence in relation to an offence, or that it contains a pornographic image of a child or an extreme pornographic image, the device will be given to the police.
- 3.9.8 If external agencies do not need to be involved, the School must consider the deletion of any images. Pupils should be asked to delete images themselves and to confirm that this is done. Members of staff should not search devices to delete images.
- 3.9.9 If images have been shared online and cannot now be deleted by the person who shared them, the School should consider reporting the images to the relevant web host or service provider (if an option is provided), or contacting the Internet Watch Foundation or ChildLine (if the website does not provide this option).
- 3.9.10 Where a pupil receives unwanted images, the School should advise the pupil and her parents of options that may be available to block the sender or to change the pupil's mobile phone number or email address.
- 3.9.11 The UK Council for Child Internet Safety's advice note [\*Sexting in schools and colleges: responding to incidents and safeguarding young people \(August 2016\)\*](#) contains details of support agencies and provides further information for schools on how to responding to incidents of sexting.
- 3.9.12 The College of Policing has also produced a briefing note [\*Police action in response to youth produced sexual imagery \("sexting"\) \(November 2016\)\*](#) which provides information on how police forces treat instances of sexting by young persons.

## 4 Special Educational Needs and Disabilities

- 4.1 The School welcomes pupils with special educational needs and disabilities and will do all that is reasonable to ensure that the School's curriculum, ethos, culture, policies, procedures and premises are made accessible to everyone. See the School's Policy on Special Educational Needs and Learning Difficulties and Disability Policy.
- 4.2 Additional barriers can exist when detecting the abuse or neglect of pupils with a special educational need or disability creating additional safeguarding challenges for those involved in safeguarding and promoting the welfare of this group of children. The School is mindful in particular that:

4.2.1 Assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the pupil's special educational need or disability without further exploration;

4.2.2 Pupils with a special education need or disability can be disproportionately impacted by bullying without outwardly showing any signs; and

there may be communication barriers which are difficult to overcome to identify whether action under this policy is required.

## **5 Looked after children and previously looked after children**

5.1 The Proprietor ensures that staff have the skills, knowledge and understanding to keep looked after children safe and the information they need in relation to a child's looked after legal status, for example:

5.1.1 Whether they are looked after under voluntary arrangements with consent of parents or on an interim or full care order;

5.1.2 Contact arrangements with birth parents or those with parental responsibility;

5.1.3 Information about a child's care arrangements and the levels of authority delegated to the carer by the authority looking after him/her.

5.2 The DSL maintains these details, including contact details of the child's social worker.

## **6 Care leavers**

6.1 The DSL maintains details of the local authority personal advisor appointed to guide and support care leavers and liaises with them as necessary regarding any issues of concern.

## Appendix 3 Concerns about a child - guidance for staff

### 1 Receiving a Disclosure

- 1.1 Listen carefully to the child and keep an open mind. The member of staff should not take a decision as to whether or not the abuse has taken place;
- 1.2 Do not ask leading questions, i.e. a question which suggests its own answer;
- 1.3 Reassure the child but not give a guarantee of absolute confidentiality. The member of staff should explain that they need to pass on the information in accordance with this Policy so that the correct action can be taken; and
- 1.4 Keep a sufficient written record of the conversation (see 2 below).
- 1.5 All other evidence, for example, scribbled notes, mobile phones containing text messages, clothing, computers, must be kept securely with the written record (see 2 below) and passed on when reporting the matter in accordance with this Policy.

### 2 Recording the Concern

- 2.1 Staff must record all concerns about a child in writing.
- 2.2 Records should be factual and signed and dated, with the name of the signatory clearly printed in writing. Records should include:
  - 2.2.1 The child's details: name, date of birth, address and family details;
  - 2.2.2 Date and time of the event / concern;
  - 2.2.3 The action taken and by whom;
  - 2.2.4 The name and position of the person making the record.
- 2.3 The School has a pro-forma record which should be completed and passed on when reporting the matter in accordance with this Policy. This pro forma is available on Google Docs. The record can be completed after an initial discussion with the DSL and completed with the DSL where appropriate.

### 3 Receiving a report of harmful sexual behaviour

- 3.1 Additional guidance about how to manage a report of harmful sexual behaviour is provided in Part 5 KCSIE. This includes the following advice:
  - 3.1.1 Only record the facts as the child presents them.
  - 3.1.2 Where the report includes an online element, do not view or forward illegal images of a child. See above and the UK Council for Child Internet Safety's advice note [Sexting in schools and colleges: responding to incidents and safeguarding young people \(August 2016\)](#) for advice about what to do when viewing an image is unavoidable.

- 3.1.3 Manage reports with another member of staff present (preferably the DSL or DDSL), if possible.
- 3.1.4 Inform the DSL as soon as practically possible if the DSL is not involved in the initial report.

#### **4 Use of reasonable force**

- 4.1 There are circumstances when it would be appropriate for staff to use reasonable force to safeguard pupils. 'Reasonable' in these circumstances means using no more force than is needed.
- 4.2 Staff should refer to the School's behaviour and discipline policy and the staff code of conduct for more detailed guidance about the use of reasonable force.

## Appendix 4 Dealing with allegations against staff

### 1. The School's Procedures

- 1.1. The School's procedures for dealing with allegations made against staff will be used where the member of staff has:
  - 1.1.1. Behaved in a way that has harmed a child, or may have harmed a child;
  - 1.1.2. Possibly committed a criminal offence against or related to a child; or
  - 1.1.3. Behaved towards a child or children in a way that indicates he or she would pose a risk of harm if he or she work regularly or closely with children.
- 1.2. Any allegations not meeting this criteria will be dealt with in accordance with the Camden Safeguarding Children Board procedures. Advice from the Designated Officer will be sought in borderline cases.
- 1.3. All such allegations must be dealt with as a priority without delay.
- 1.4. The local authority has designated a particular officer, or team of officers, to be involved in the management and oversight of allegations against people that work with children (Designated Officer(s)). The Designated Officer(s) will be informed immediately and in any event within one working day of all allegations that come to the School's attention and appear to meet the criteria in paragraph 1.1 above.
- 1.5. Allegations against a teacher who is no longer teaching and historical allegations will be referred to the police.

### 2. Reporting an Allegation

- 2.1. Where an allegation or complaint is made against any member of staff (other than the Principal), including the DSL, the matter should be reported immediately to the Principal. The allegation will be discussed immediately with the Designated Officer(s) before further action is taken. Where appropriate, the Principal will consult with the DSL.
- 2.2. Where an allegation or complaint is made against the Principal, the matter should be reported immediately to the Chair of Governors or the Nominated Governor for Child Protection, without first notifying the Principal. The allegation will be discussed immediately with the Designated Officer(s) before further action is taken. The Chair of Governors will consult the Nominated Governor for Child Protection, and vice versa.
- 2.3. Where an allegation is made against any Governor, the matter should be reported immediately to the Chair of Governors or the Nominated Governor for Child Protection. If either the Chair of Governors or the Nominated Governor for Child Protection are the subject of an allegation, the matter should be reported to the other. The allegation will be discussed immediately with the Designated Officer before further action is taken. Where appropriate, the Chair of Governors will consult the Nominated Governor for Child Protection, and vice versa.

- 2.4. If it is not possible to report to the Principal or Chair of Governors or Nominated Governor for Child Protection in the circumstances set out above, a report should be made immediately to the DSL. The DSL will take action in accordance with these procedures and will as soon as possible inform the Principal or, where appropriate, the Chair of Governors and the Nominated Governor for Child Protection.
- 2.5. The person taking action in accordance with the procedures in this Appendix is known as the "Case Manager".

### **3. Disclosure of information**

- 3.1. The Case Manager will inform the accused person of the allegation as soon as possible after the Designated Officer(s) has been consulted.
- 3.2. The Parents or carers of the child / children involved will be informed of the allegation as soon as possible if they do not already know of it. They may also be kept informed of the progress of the case, including the outcome of any disciplinary process. The timing and extent of disclosures, and the terms on which they are made, will be dependent upon and subject to the laws on confidence and data protection and the advice of external agencies.
- 3.3. Where the Designated Officer(s) advises that a strategy discussion is needed, or the police or children's social care need to be involved, the case manager will not inform the accused or the parents or carers until these agencies have been consulted and it has been agreed what information can be disclosed.
- 3.4. The reporting restrictions preventing the identification of a teacher who is the subject of such an allegation in certain circumstances will be observed.

### **4. Further action to be taken by the School**

- 4.1. A school has a duty of care towards its employees and as such, it must ensure that effective support is provided for anyone facing an allegation. The School will take action in accordance with Part four of KCSIE and the School's employment procedures.

### **5. Ceasing to use staff**

- 5.1. If the School ceases to use the services of a member of staff or volunteer because they are unsuitable to work with children, a settlement agreement will not be used and a referral to the Disclosure and Barring Service (**DBS**) will be made promptly if the criteria for referral are met. Any such incidents will be followed by a review of the safeguarding procedures within the School, with a report being presented to the Proprietor without delay. The School may also need to consider a referral to the DBS if a member of staff is suspended, or deployed to another area of work that is not regulated activity.
- 5.2. If a member of staff or volunteer tenders his or her resignation, or ceases to provide his or her services, any child protection allegations will still be followed up by the School in accordance with this policy and a referral to the Disclosure and Barring Service will be made promptly if the criteria for referral are met.

5.3. Separate consideration will be given as to whether a referral to the Teaching Regulation Agency (TRA) should be made where a teacher has been dismissed, or would have been dismissed had he / she not resigned, because of unacceptable professional conduct, conduct that may bring the profession into disrepute, or a conviction at any time for a relevant offence. An interim referral to the TRA may also be considered and made if appropriate.

## 6. Malicious allegations

- 6.1. Where an allegation by a pupil is shown to have been deliberately invented or malicious, the Principal will consider whether to take disciplinary action in accordance with the School's behaviour and discipline policy.
- 6.2. Where a parent has made a deliberately invented or malicious allegation the Principal will consider whether to require that parent to withdraw their child or children from the School on the basis that they have treated the School or a member of staff unreasonably.
- 6.3. Whether or not the person making the allegation is a pupil or a parent (or other member of the public), the School reserves the right to contact the police to determine whether any action might be appropriate.

## 7. Record keeping

- 7.1. Details of allegations found to be malicious will be removed from personnel records.
- 7.2. For all other allegations, full details will be recorded on the confidential personnel file of the person accused.
- 7.3. An allegation proven to be false, unsubstantiated or malicious will not be referred to in employer references. In accordance with KCSIE, a history of repeated concerns or allegations which have all been found to be false, unsubstantiated or malicious will also not be included in any reference.
- 7.4. The School will retain all safeguarding records and relevant personnel records for so long as reasonably required.<sup>2</sup>

---

<sup>2</sup> In accordance with the terms of reference of the Independent Inquiry into Child Sexual Abuse all Schools are required to retain information which relates to allegations (substantiated or not) of organisations and individuals who may have been involved in, or have knowledge of child sexual abuse or child sexual exploitation; allegations (substantiated or not) of individuals having engaged in sexual activity with, or having a sexual interest in, children; institutional failures to protect children from sexual abuse or other exploitation.
